OPT-IN FOR E-MAIL NOTIFICATION OF PAYMENTS

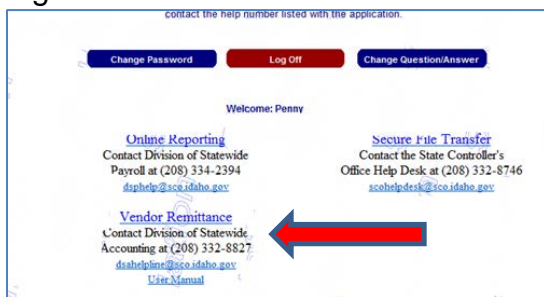

INTRODUCTION

When you log on to the SCO Web site and open the Vendor Remittance application, you have the option to opt-in to receive e-mail notification when a payment has been made and a remittance advice is available. You can enter up to 5 e-mail addresses where notification will be sent. This only allows an e-mail notification to be sent to the specified addresses – it does not give the owners of the specified e-mail addresses the ability to log in to the application. To request access to the application, contact dsahelp@scs.idaho.gov.
