Idaho Public Health Districts

IDAHO ASSOCIATION OF PUBLIC HEALTH DISTRICT DIRECTORS

November 3, 2021

Brandon D. Woolf
Secretary, Board of Examiners
State Controller's Office
PO Box 83720
Boise, ID 83720-0011

Dear Mr. Woolf,

On behalf of the seven Idaho Public Health Districts, I am requesting the FLSA Exempt employees currently in the FLSA code "S" on the attached spreadsheet continue to be paid cash for overtime hours related to the COVID-19 response. We are requesting an extension from December 26, 2021 through June 25, 2022 as we continue to respond to the COVID-19 pandemic. We have learned over the past several months that while we are making progress in vaccine uptake rates, transmission levels are still high and we will likely see waves of COVID infections for the foreseeable future as variants emerge. Those waves will require continued response from our teams and is the justification for this extension.

The Health Districts are also seeking approval to continue to pay overtime for the following classifications that are included on the attached spreadsheet. Positions will be filled as needed to assist with the COVID-19 pandemic event.
