STATEHOUSE MAIL

Re: Notice of Approval for Outside Employment

Dear Secretary Woolf:

I am writing pursuant to Idaho Code § 59-512, to advise you that in the public interest, I have approved a request by Deputy Attorney General Jeff Nye to accept additional outside employment at the University of Idaho College of Law (University) in an educational program conducted under the supervision of the State Board of Education. Mr. Nye will serve as an adjunct faculty member, teaching a Lawyering Process class this spring. The class will meet once per week on Thursdays from 6:10 p.m. to 7:00 p.m. beginning January 14th through the end of April, 2021.

The approved additional employment for Mr. Nye at the University will not be performed in the ordinary course of his employment with the Office of the Attorney General and will be performed in addition to and beyond the statutory hours of service required in the ordinary course of his employment with my office.

Sincerely,

A handwritten signature in dark ink, appearing to read "L. Wasden", written in a cursive style.
