POPULATION DEMOGRAPHICS

This section is to be completed each reporting period.

1. Total number of individuals who received services during the reporting period.

Instructions: Count all individuals served by your organization with the use of VOCA plus match funds during the reporting period. This number should be an unduplicated count of people served during a single reporting period, regardless of the number of services they received or victimization types with which they presented.

Total number of individuals receiving services *

2. Total number of anonymous contacts received during the reporting period.

Instructions: Count all anonymous contacts received by your organization through a hotline, online chat, or other service where the individuality of each contact cannot be established. If your organization did not have any anonymous contacts, enter zero (0).

Total number of anonymous contacts *

3. Number of NEW individuals who received services from your agency for the first time during the reporting period.

Instructions: Report the number of NEW individuals served by your organization with the use of VOCA plus match funds for the first time during the reporting period. This number should be an unduplicated count of NEW clients served during a single reporting period, regardless of the number of services they received or victimization types with which they presented. **For the first reporting period of your subaward, all individuals should be counted as new.**

Total number of NEW individuals receiving services *

4. Demographics (for NEW individuals identified in Question 3)

Instructions: Count each NEW individual in only one race/ethnicity type as self-reported. Individuals who self-report in more than one race and/or ethnicity category should be counted in the "Multiple Races" category. **The total number of individuals in each demographic category should equal the number of NEW individuals reported in Question 3.**

All "0" entries must represent a **true value of zero**.

If no data is collected for a **category**, enter "NT" in that category to mark it as Not Tracked. This means that the subgrantee is not yet able to submit data in this category due to the need to update its data collection system, but that efforts are underway to track data as requested. Then, in the "Not Tracked" category provided, report the number of individuals whose demographic data was not tracked.

If no data is collected for an **individual**, count that individual in the **Not Reported** category. This means that the subgrantee collects this data, but it was not provided by the person completing the intake form.
