Redefining Phase 1: Due to the many hardships the pandemic has placed upon the Luma project and state agencies, Luma project leadership has concluded there is no longer adequate time to meet the planned July 1st launch for the Luma finance and procurement modules. With the approval of our Governance Board, the launch of the finance and procurement modules will be delayed. Extensive planning has already begun and will span the next three weeks as project leadership redefines our path to launch. We expect to publish revised plans with a new go-live date immediately following this planning period.

Luma Budget Module Training: Training for the Luma Budget Module will begin April 12th.

Statewide Showcase: This month's showcase has been cancelled in order to give our team ample time to focus on redefining go-live.
